

KGCA Meeting Minutes

GotoMeeting

April 18, 2014 8:00

Present: Carol Ptak, Barbara Young, Katherine March

President Reports:

Carol Ptak called the meeting to order and suggested items for discussion.

Secretary/Treasurer:

Barbara Young gave an update on new member applications with paid memberships, which totaled 16 and a total in the checking account on 4/18/14 of \$571.64 with all bills paid.

Old Business:

Membership- It was suggested a PayPal button should be put on both the clubs web site and face book. The account information was given to Carol for her to do this.

The Website was discussed along with moving it up on the selection list. Carol described how that was done by getting more hits.

Club Logo- The three suggested logos were discussed. None were selected so we are still looking for a design. It was suggested the possibility of using the KGCA letters would solve our indecision. Barbara is to look for design features.

Newsletter- Barbara has the current Newsletter ready to go except for the training and presidents article which will be sent on Monday.

UKC Application-It was discussed on how to tell the difference between the purebred and hybrid. The registration bodies & judges would not be able to make that determination. It was decided to not take any action on the UKC Application at this time and concentrate on our main goal of education for the breeders.

Health & Welfare- Katherine will re-write some of the information for the website and will get it to Carol for the Website in 2 weeks.

New Business:

Next Meeting: June 16th, 8:00am

Meeting adjourned 8:58

Respectfully submitted,
Barbara Young
