GotoMeeting

January 30, 2015 8:00 am

Present: Carol Ptak, Barbara Young, and Katherine March

President Reports:

Carol Ptak called the meeting to order at 8:03. There were greetings and updates from all members and a discussion on what to cover.

Secretary/Treasurer:

Barbara Young gave an update on checking account: The following dues have been received: Larry Harkins (new) \$30.00, Tom & Carol Olesen \$35.00, Andy Dodsen \$30.00, Louis and Kirra Guard (new) \$35.00 & Barbara Young \$30.00 for a Balance of \$657.38. One check was written to the State of Oregon for our filing fee of \$50.00 12/1/2014.

Old Business:

1. Katherine gave an update on the progress and expected sample date for a logo for the club. The decision was made to allow a maximum of 2 weeks before continuing the search for another artist if a sample was not delivered.

New Business:

1. There was a discussion about the road forward for the club and breed. It was agreed that our continuation and goal of promoting the "pure bred" Korthals Griffon should be our primary purpose. With the availability of information getting out to the public, there have been more requests for the pure KG.

2. With the increase in requests for information and pure KG, it was again suggested that a list of pedigree pure dogs could be posted on the web site and facebook with owners consent. Breeders are interested in eliminating the hybrid mix from their lines but have had problems locating pure males and females. With our goal of being an "Educational Club" this might be a way to assist the public with the breeders support.
